

Our Value-Added Programs

• Soccer Academy

True Talents of Africa (TTA) soccer academy uses football as a tool to grow talent and build character through coaching and mentorship, exposing learners to vast opportunities locally and internationally.

• Aviation

This 3 year course that is worked into the school program culminates in attainment of a private pilot license.

• ICT Hub

Digital skills taught in Cybersecurity, Data Science, AI, Gaming, Coding, IOT, Robotics etc

• Leadership Training

Our leadership framework provides a process for boys to know the world, know themselves and know God. It helps them identify their area of natural gifting and equips them for a wholesome productive life.

Our Promise

- Experienced teachers dedicated to a personalized education
- Excellent learning environment
- Exemplary discipline
- Exceptional academic results
- Extraordinary achievements

STEM

The STEM Club's principal objective is to foster an inventive spirit among the student body of Dawamu. The boys are able to apply what they have learnt in class as they work on a variety of engineering projects that incorporate their knowledge from other subjects.
